Alpha Chi Announces Star and Notable Chapter Awards

Little Rock, Ark.— Twenty of Alpha Chi’s chapters earned the society’s Star Chapter designation for the school year 2019-20. The award honors chapters for meeting several criteria: inducting members locally, registering at least one faculty member and one student to attend the annual convention, having at least one student registered to present on the convention program, nominating at least one student for a national Alpha Chi fellowship or scholarship, and sponsoring at least one on-campus program in promotion of scholarship. In a challenging academic year, these chapters persevered in achieving this benchmark of excellence.
